YOU ARE SAGARD—HEROIC BUCCANEER

Legend has it that THE CRIMSON SEA received its name from all the blood spilled upon its waters. Now you must sail this treacherous sea to rescue the woman you love and to fulfill your destiny.

After taking the pirate ship—the *Midnight Reaper*—from its bloodthirsty captain, you embark on a journey of unspeakable horror through dangerous reefs and mysterious isles. The challenges you face are countless—flesh-ripping arrows from the Barracudan Marauders, the deadly coils of a sea serpent, and hordes of flying reptiles. These enemies prepare you to battle the most deadly foe of all—the evil Sultoon who rules a city of wicked sorcery and dark towers.

As with all of the Hero's Challenge™ books, **you fight the battles, you make the choices, you take the chances.**
